

Ausdrill drill rigs supplier in armenia

Are Ausdrill drilling rigs safe?

Extensive range of drilling rigs We have one of Australia's largest fleets of purpose-built drilling rigs. Combined with our experienced teams of supervisors and drill crews, Ausdrill's complete drilling service is both safe and reliable and delivers superior results for our customers.

Who is Ausdrill?

We've worked on the biggest mining projects across Australia and in some of the remotest areas delivering safe, reliable and productive drilling services for our clients. Ausdrill is part of Perenti, an ASX listed, diversified mining services group with interests in contract mining, drilling services, mining services and technology solutions.

Why should you choose Ausdrill?

Combined with our experienced teams of supervisors and drill crews, Ausdrill's complete drilling service is both safe and reliable and delivers superior results for our customers. Our focus on innovation means we're continually investing in new rigs and technology to improve the speed, accuracy and safety of our drilling services.
