

Cme drill rig types supplier in brazil

Who makes CME drilling rigs?

Central Mine Equipment Company manufactures a complete line of drill rigs for subsurface investigation in the geotechnical, environmental, mineral exploration, water well and construction industries. CME drilling rigs are multi-purpose machines built from the ground up in our Earth City (St. Louis), Missouri factory.

Which CME drill rig models are available at Rig source?

Below are a few of the common CME drill rig models frequently available at Rig Source, including their estimated performance ratings and specifications: The CME 45 drill is the smallest CME drill model and weighs less than 26,000 lbs., which does not require special permitting for transport.

What types of drilling rigs are available?

Geotechnical drilling rigs - CME rubber tire ATV drills, truck, track carrier, trailer and skid mounted drill rigs.

Do you sell & rent CME drill rigs?

We Sell & Rent a variety of cme drill rigs to meet your needs! Central Mine Equipment Company (CME) offers competitive geotechnical and environmental drill rigs that uphold a strong reputation for being powerful, dependable, and versatile.

What is a CME 75 drill rig?

The CME 75 drill rig is one of CME's larger drill rigs. This unit is known for conquering larger jobs requiring deeper drilling depths or bigger augers. The CME 75 can be truck or track-mounted and also gives the option for enhancing rotation and power. Common variances of the CME 75 include CME 75HT, CME 750, and CME 750X.

What are the challenges faced by Brazil's offshore drilling industry?

Brazil has stringent regulations governing drilling operations, particularly concerning offshore activities, which require adherence to safety and environmental standards. Challenges include navigating these regulations, as well as addressing logistical issues related to Brazil's vast geography and infrastructure limitations.

Ever wonder why you see so many CME-75 drills out there in the field? It's really quite simple. With over 45 years of field experience, the CME-75 has earned a reputation second to none ...
