

Core Drilling Rig Equipment Recycling Price List

Where can I buy a core drill rig?

Diamond Tool Store carries a wide range of core drill stands, motors, and bits that are made to last and make the cut. Core drill rigs, also known as core drilling rigs, are specialized machines used to extract cylindrical samples (cores) from various materials such as rock, soil, concrete, and asphalt.

What equipment do you need to operate a core drill rig?

PPE: Use appropriate personal protective equipment, including helmets, gloves, safety glasses, and hearing protection. Training: Ensure operators are trained and experienced in using core drill rigs and handling drilling fluids. Maintenance: Regularly maintain and inspect the rig and associated equipment to ensure safe and efficient operation.

Where can I buy a core drill?

Diamond Tool Store carries core drills of all types and in different sizes for all kinds of construction projects. Shop online at the Diamond Tool Store.

Who makes diamond core drill rigs?

Our diamond core drill rigs include name brands such as Husqvarna, Diamond Products, Golz, Norton, MK Diamond, Metabo, and Abaco. Our concrete core drilling equipment is designed to work with diamond core bits to core (remove cylinder of material) from concrete and stone.

Which drill rig brands do you accept?

We accept all drill rig brands serving the geotechnical, environmental, oil and gas, or mineral exploration drilling industries including: Diedrich, CME, Mobile, Simco, Geoprobe, Atlas Copco, Boart Longyear, and more.

Where can I find a used drill rig?

Click here to view our used rigs online showroom. In order for Rig Source to begin the process, please download our Showroom Listing Sheet, complete and return it to info@rigsourceinc.com along with 6 to 10 images of your drill rig. A member of our team will then reach out to you with further details.

Source over 131 core drilling rigs for sale from manufacturers with factory direct prices, high quality & fast shipping.
