

## Double hh drill rig in benin

Will resurrect S&#232;m&#232; field offshore Benin?

Game-changing infrastructure deals set stage for production restart at offshore S&#232;m&#232; Field later this year In a major breakthrough for West African oil production,Rex International Holding's subsidiary Akrake Petroleum Benin has secured crucial contracts that will resurrect the dormant S&#232;m&#232; Field offshore Benin.

Who owns S&#232;m&#232; field in Benin?

This is connected to the planned redevelopment of the S&#232;m&#232; Field,operated by Lime subsidiary Akrake Petroleum Benin. In December 2023,Akrake secured a production sharing contract and a 76% operated interest in offshore Block 1 containing S&#232;m&#232;,with the government of Benin holding 15% and Octogone Trading 9%.

How will akrake's new drilling rig work?

The MOPU, being converted from a mid-sized drilling rig, will be equipped with custom-built processing equipment specifically designed for the field's requirements. This development follows Akrake's earlier contract for a modern jackup to conduct a 120-day drilling campaign on the field.

Who is double HH manufacturing?
