

## Drilling rig machine manufacturers in Belgium

What equipment does HB drilling sell?

It also sells all the necessary equipment, from the smallest tool to the high-performance industrial machine. HB Drilling, a Belgian company situated in Fontaine L'Evêque, was founded in August 1987. Originally, it manufactured and distributed only drilling equipment for quarries, civil engineering and water wells.

What types of drilling equipment do you manufacture?

Drilling equipment. We manufacture various drilling equipment such as rotary tables (MRS and MRL models), traveling blocks (MC), swivels (CH), drawworks, mud pumps, auxiliary brakes, crownblocks, masts, substructures, bevel gears, hydraulic jacks, hydraulic mast elevators, and chain transmissions. Additional services.

What is a drilling rig?

Drilling rigs. Our drilling rigs are used for drilling oil and gas wells, geothermal wells, for deep water drilling, or salt deposits. UPET rigs are capable of drilling down to 6 kilometers depth, and the lifting capacity is up to 300 tons. Rigs are installed on chassis with 5-8 axles or semitrailers, we use conventional or electric engines.

Who is HB drilling?

HB DRILLING studies, designs and installs your drilling, water- and sludge treatment units as well as the complete equipment for quarries. It also sells all the necessary equipment, from the smallest tool to the high-performance industrial machine. HB Drilling, a Belgian company situated in Fontaine L'Evêque, was founded in August 1987.

What equipment do you need for a drilling rig?

Mobile drilling and workover rigs of 150 - 1500 HP (30 - 300 tons) capacity. Specialized drilling equipment - rotary tables, traveling blocks, hydraulic swivels, sheaves, mud pumps, masts (derricks), and other components for drilling rigs. Drilling and workover rigs inspections and certification.

What kind of drilling equipment does Upet offer?

UPET is one of the leading drilling equipment manufacturers in Europe. We offer: Mobile drilling and workover rigs of 150 - 1500 HP (30 - 300 tons) capacity. Specialized drilling equipment - rotary tables, traveling blocks, hydraulic swivels, sheaves, mud pumps, masts (derricks), and other components for drilling rigs.

We develop drilling machines for mines, quarries, water wells, environmental projects, and public works, as well as tailored solutions based on specific customer requests.

## Drilling rig machine manufacturers in Belgium

UPET is one of the leading drilling equipment manufacturers in Europe. We offer: Mobile drilling and workover rigs of 150 - 1500 HP (30 - 300 tons) capacity. ...

HB Drilling is a company specialized in machinery for drilling, mining, and quarrying, as well as water treatment. We develop drilling machines for mines, quarries, water wells, environmental ...

RDS Engineering Drilling Rig Manufacturers has a multi purpose dth cum rotary drilling for the following application water well drilling, dth drilling, borewell, ...

Prime Rigs is Africa's top manufacturer and exporter of drilling rigs, specializing in drilling machines, rotary & core drilling, and earthing equipment supply.

Find the top drilling rig suppliers and manufacturers in Belgium from a list including Massenza Drilling Rig, Michell Instruments Ltd - a brand by Process Sensing Technologies (PST) and ...

Searching for drilling? In the business search engine SJN you find products and services from manufacturers, suppliers, importers, exporters and distributors.

Belgium's trusted source for heavy equipment and machinery. From excavators and cranes to drilling rigs and bulldozers, we provide reliable, top-tier solutions to build your future with strength.

Epiroc is a one of the leading drill rig manufacturers in the world. We offer rock drilling machines and other equipment for many different applications. Discover our products for oil and gas, ...

China leading manufacturer of quality borehole drilling machine, drilling rig, and boreholes drilling equipment for water well, mineral, geotechnical.

Our drilling rigs are used for drilling oil and gas wells, geothermal wells, for deep water drilling, or salt deposits. UPET rigs are capable of drilling down to 6 ...

Massenza, from Italy, are one of the longest established Drilling Rig manufactures in Europe. With over 100 years of experience, they are present all over the ...

You can contact us by email at sales@machinesequipments for reliable Drilling Rig Equipments supplier, we are well-known for our world-class Drilling Rig Equipments and one ...

Machinesequipments is a Drilling and Bore Well Equipments Manufacturers in Belgium, Drilling and Bore

## Drilling rig machine manufacturers in belgium

Well Equipments Belgium, Drilling and Bore Well Equipments Suppliers Belgium and ...

Overview Drilling rigs are specialized machines used to create holes in the ground for various purposes, including oil and gas extraction, water well drilling, and geological exploration. ...

This section provides an overview for drilling machines as well as their applications and principles. Also, please take a look at the list of 12 drilling machine manufacturers and their company ...

You get regular drilling rigs, and then you get Bohrmeister drilling rigs! We specialise in the custom design, manufacture and supply of quality hydraulic exploration drilling rigs, "hands ...

Find the top drilling rig suppliers & manufacturers from a list including Lone Star Drills. a Little Beaver Company, Acker Drill Company Inc & AMS, Inc.

CNC Europe: From the heart of Europe we supply quality machines at affordable prices: cnc metalworking machines, conventional machines, robot turn, robot ...

For the best all terrain drill rigs for Water well drilling, Foundation piling, Exploration drilling and Opencast mining machines and drilling equipment, Please contact us for any information or a ...

Energy Dais presents the most comprehensive list of the top Drilling Rig manufacturers in India, Middle East, USA & Canada. Choose from a list of 50+ ...

Discover the top rotary drilling rig manufacturers globally. This blog post explores leading companies, their specializations, and innovations in the drilling industry. Learn about ...

Kores Engineering offers complete drilling solutions to our customers. We provide expertise in designing, developing, and distributing high-precision equipment to various industry sectors.

Epiroc is a one of the leading drill rig manufacturers in the world. We offer rock drilling machines and other equipment for many different applications. For ...

Drilling Dreams to Reality Embark on a remarkable journey with Drillrigy, a trusted name in borehole drilling machine manufacturing. With our expertise and state ...

Our separated hydraulic down-the-hole drilling rig is an excellent economical series, which can save you the overall project cost. The percussion drilling equipment from the drill rig supplier ...

Drilling Rigs - Exploration + Grade Control We supply the market-leading Hotline(TM) Reverse Circulation rigs. These drilling rigs are commonly used for exploration applications using RC ...

## Drilling rig machine manufacturers in belgium

Staying informed about industry trends, technological advancements, and regulatory updates is crucial for anyone interested in this sector, as it directly impacts business viability and growth ...

Together with our sister company Thor drill Rig we provide a turn-key operation providing Drilling machines and equipment of the highest quality to customers globally.

Explore Our Products Drillrigy, a premier manufacturer of China water well drilling rigs since 1998, has long established its stature as a formidable entity in the industry. Established and thriving ...
