

Heavy duty tamrock drill

Is Tamrock a rock drill?

Tamrock is a name that is synonymous with rock drilling today but without the work of Matti Kilpinen it might have been a different story. ABE reports. Today the brand name Tamrock is closely associated with rock drills but it hasn't always been the case in terms of name, even if the company's focus on innovation has remained unchanged.

Which Sandvik Tamrock drilling rig is best?

Sandvik Tamrock is a leading brand for the mining industry. JUMBO drilling rigs from Tamrock are known for their high efficiency and durability. JUMBO drilling machines are large-scale machines generally used in the mining and construction industry. Sandvik Tamrock's JUMBO series is designed to perform successfully even in harsh conditions.
