

Kaishan Down-the-Hole Drilling Company

Phone

The ZT10 integrated down the hole drillrig for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine, stonework blast ...

The KG610H down-the-hole drill rig for open use is equipped with a dust collector, thus making the operation environment-friendly and reliable.

A high air pressure screw rod with our intellectual property is mounted on the machine. KT5C Integrated Down the hole Drill Rig for Open Use The KT5C ...

Kaishan Group Co., Ltd. is a well-equipped company with strong technical force, specialized in Water Well Drilling Rig, Screw air compressor, Surface Drill ...

The KG420S/KG420SH down the hole drill rig for open use is an improved device in compliance with national regulations on diesel-engine emissions. The drill rig is equipped with the two ...

Kaishan Group Co., Ltd. is a well-equipped company with strong technical force, specialized in Water Well Drilling Rig, Screw air compressor, Surface Drill Rig, Core drilling rig, Food ...

We provide various kinds of high-end rock drilling equipment and air compressor, including water well drilling rig, surface mining drilling rig, DTH drilling rig, ...

The KG726III/KG726HIII down the hole drill rig for open use is an improved device in compliance with national regulations on environmental protection. Equipped with the Yuchai engine, the ...

The ZT10 integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine, stonework blast holes and pre-splitting holes.

KT12 Integrated Down the hole Drill Rig The KT12 integrated down the hole drill rig is driven by a Cummins China stage III diesel engine and the two-terminal output can drive the screw ...

The KG350GF photovoltaic down-the-hole drilling vehicle is a product specially designed for photovoltaic foundation pile holes. It is equipped with a 73KW engine, a high-efficiency desert ...

The KT15integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine, stonework blast ...

Kaishan Down-the-Hole Drilling Company

Phone

Kaishan Group is an air compressor manufacturer in China. Our main air compressor include: piston type air compressor, screw air compressor, and centrifugal air compressor. Kaishan is ...

Our KT5C Integrated down the hole drill rig for open use is an advanced drilling device with an integrated screw air compressor system. The equipment is compact in structure and mobile ...

Our team of experienced engineers and customer personnel is available 24 hours a day to help you find the right equipment for your drilling applications. ...

The KG520/KG510H down the hole drill rig for open use is an improved device in compliance with national regulations on diesel-engine emissions. Equipped with the Yuchai four-cylinder ...

Photovoltaic Down The Hole Drill Rigs Kaishan Group Co., Ltd. is a well-equipped company with strong technical force, specialized in Water Well Drilling Rig, Screw air compressor, Surface ...

kaishan dth drilling rigs are designed for high-capacity rock drilling in quarries, opencast mines & rock excavation. Call us for a FREE quote now!

The ZT10 integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine, stonework blast holes and pre-splitting holes. ...

Products Description The KT9C integrated down the hole drill rig for open use is an advanced drilling device integrating the down the hole drilling system and screw air compressor system, ...

Down the hole drilling rig has a hydraulic wet dust removal system with adjustable water volume and water pressure, and water pressure alarm function. The rig ...

Established in 1956, KAISHAN is a world leading manufacturer of rock drilling equipment and air compressors and specialized in manufacturing a wide range of rock drilling rigs and air ...

The ZT11 integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine, stonework blast ...

KT11 down the hole drilling machine drills 115-152mm vertical, inclined and horizontal hole for open-pit mines and stonework project.

High Performance KG430 Crawler Blasting Drill Machine Rock Drilling Rig for Mining Kaishan KG430 25m blasting ground hole Quarry Rock DTH Mining ...

The KG520/KG520H down the hole drill rig for open use is an improved device in compliance with national

regulations on diesel-engine emissions.

Products Description The KT15 integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine, stonework blast holes and pre ...

The KG410/KG410H down the hole drill rig for open use is an improved device in compliance with national regulations on diesel-engine emissions. Equipped with the Yuchai four-cylinder engine ...

The KG920BIII/KG920BHIII down the hole drill rig for open use is an improved device in compliance with national regulations on environmental protection. ...

Kaishan KQD150B Down The Hole Drill Machine is robust performance in hard rock, fuel efficiency, wide drilling range & versatility, and easy maintenance.

The KG500GF photovoltaic down-the-hole drilling vehicle is a product specially designed for photovoltaic foundation pile holes. It is equipped with an 86KW engine, a high-efficiency desert ...

Products Description The KT7C integrated down the hole drill rig for open use is an advanced drilling device integrating the down the hole drilling system and screw air compressor system, ...
