

Qingquan Water Well Drilling Rig Model 350

Powerful 350m depth crawler-mounted pneumatic drilling rig with 7500Nm torque, customizable hole diameter, and integrated air compressor. ISO certified.

JDL-350 mining exploration drilling rig OVERVIEW: This JDL-350 is mechanical transmission top drive drilling rig. used to drill 350m depth, 400mm max for exploration, water well. PRICE: ...

Step into the future of drilling with our state-of-the-art 350m Water Well Drilling Rig, featuring an impressive 6.6m Tower. Designed to surpass all your drilling requirements, this extraordinary ...

HW7/350 pneumatic water well drilling rig is a lightweight, efficient and multifunctional drilling equipment. Suitable for industrial, civil drilling and ...

China St-350 Pneumatic Portable Borehole Drilling Machine High Speed Groundwater, Find details about China Water Well Drilling Rig from St-350 Pneumatic Portable Borehole Drilling ...

The FY350 water well drilling rig is a compact and powerful solution designed for drilling up to 350 meters deep. Built with a steel track chassis, it ensures excellent mobility across complex ...

Tractor|Crawler|Truck|Trailer Mounted Water Well Drilling Rig,find more information about Deep Water Well Drilling Rig products at Shijiazhuang Zhengzuan Machinery Equipment Co., Ltd.

HW7/350 pneumatic water well drilling rig is a lightweight, efficient and multifunctional drilling equipment. Suitable for industrial, civil drilling and geothermal drilling projects. Main features: ...

Qingquan 350 drilling rig in 2022. Use it for hundreds of hours. 6.6-meter tower, machine condition plate is positive. WhatsApp+86 17305492793

Water well drilling rig is a mechanical equipment that drills water wells and completes well pipe running, well cleaning and other operations includes power equipment and drill bits, drill ...

HWDL-350 series drilling rig is a high-efficiency and multi-functional drilling equipment, mainly suitable for drilling wells, agricultural irrigation wells, geothermal air conditioning holes and ...

Year: 2021 Model: Jin Kaili 350 drilling rig. Tower height: 6.6m tower, machine condition: machine condition is positive. Whatsapp/Wechat:+86 15863965023 Official...

Qingquan Water Well Drilling Rig Model 350

ST350 pneumatic drilling rig for 350m depth, 92Kw power, 140-305mm hole diameter. Durable steel crawler design with 1-year warranty & overseas service.

High-efficiency ST 350 water well drilling rig with 350M depth capacity, 92Kw power, and 20T lifting force. Features hydraulic propulsion, 6M rod length, and overseas engineer support.

The water well drilling rig machine can work on different formations, well drilling diameter up to 245mm. The drill machine adopts new hydraulic technology, supporting high torque hydraulic ...

We have 34 Oilfield Water Well Rigs for sale rent & auction. Find the new, used, & rental Water Well Rigs you need. Listings updated daily from manufacturers & private sellers.

KW350 is a type of light, high efficient and multifunctional drilling rig. It is widely applied in water well, irrigation well or other boreholes, especially good for ...

This not only enhances efficiency but also emphasizes energy conservation, making formidable progress in air drilling. Conquer the challenges of tough conditions such as hard rock layers, ...

This is a Water Well Drilling Rig, brand: DONGHENG, model: 350; Widely used for groundwater well exploration and extraction; obtaining clean and safe drinking water, providing ...

Unlock the secrets of water well drilling rigs! Learn about their components, operation, and how to choose the right one for your needs.

Tophead offering both torque and speed to the impressive power to weight ratio make the DM450 well suited for water well, geothermal, and/or cathodic ...

The mechanical top drive series drilling rig is a water well drilling equipment that integrates the functions of water drilling rig and Air drilling rig 1. The power ...

YG has a complete line of water well rigs for sale, designed for water well drilling and other applications requiring air or mud rotary.

Comprehensive functionality: The 350 drilling rig is suitable for multiple fields such as electricity, telecommunications, agriculture, highways, and construction, demonstrating its wide range of ...

High-efficiency ST350 pneumatic drilling machine for water wells, 350m depth capacity, diesel-powered with 1-year warranty. Ideal for rock formations.

High Operating Efficiency: This HW7/350 drill depth 700m deep water well drilling rig machine boasts

Qingquan Water Well Drilling Rig Model 350

exceptional operating efficiency, making it an ideal choice ...

1. why should you buy from us not from other suppliers? Feida Mining Machinery Co., Ltd. has been researching and producing water well drilling rig, DTH drilling rig and ...

Jimai independently develops and produces a new generation of water well drilling rigs. This series of products has the characteristics of standardized ...

Prime Rigs Limited - Exporter of Water Well Drilling Rigs, Truck Mounted Rig & Tractor Mounted Drilling Rig from Hyderabad, Telangana, India

Purchase high-quality crawler water well drilling rig from Zhejiang Miningwell Machinery Co., Ltd, a leading manufacturer in China. Enjoy low prices when you buy crawler water well drilling rigs ...
