

## Ukrainian core drilling rig manufacturer

Who makes underground drilling rigs?

As a result of highly demands for Underground Drilling Rigs, Barkom Group, which has been registered under the name of BULLDRILL, started to manufacture Underground Drilling Rigs and expanded its production range by manufacturing Surface Drilling Rigs too.

How many drilling rigs are there in Ukraine?

Ukraine represented 84 of the 186 active drilling rigs in Europe this month--45%. This addition is not reflected in historical data. Compared to this time last year, the total rig count is up 159 from the 967 rigs active in May of 2018.

Who is drill rig & equipment?

Established with a vision of "to manufacture and serve high quality Drill Rig and Equipment to its clients as fast as possible, no matter where they drill".

What is the depth of a well in Ukraine?

The EXALO record of the depth of the well in Ukraine is borehole Rud 103 - 4631 m of depth. To ensure the highest quality of all undertaken activities and high efficiency of investment projects EXALO operates in accordance with the ISO standards and the prevention of occupational risks OHSAS 18001.

We are the geotechnical drilling rig manufacturer for SPT soil testing, rigs for CPTu investigation, Drill rigs for water well drilling, Drill rigs for micropile installation, Drill rigs for rotary core drilling ...

Prime Rigs is Africa's top manufacturer and exporter of drilling rigs, specializing in drilling machines, rotary & core drilling, and earthing equipment supply.

Drilling Technology Plant is a manufacturing enterprise, the main profile of which is integrated supplying of companies engaged in the drilling of geotechnical, ...

Core drilling often grinds away materials when the hole is being drilled to get intact sample via rotary drilling by core drill rigs. Rotary drilling has a rotary action combine with the ...

Gunas Rigs is manufacturing a wide range of drilling rigs that suits various applications (Water Well Drilling, Diamond Core Drilling, Reverse Circulation Drilling, Piling & Pole Drilling, ...

Burisma Group is the first company to introduce such a powerful rig in Ukraine and Eastern Europe, able to drill 10 000 m deep wells. The SK 3000 was fully equipped in the US and ...

TactEX Industries in Parksville, BC, Canada, is your go-to drilling equipment suppliers for diamond core drill

## Ukrainian core drilling rig manufacturer

BARKOM GROUP has wide product range of Drilling Rigs and Diamond Core Drilling Equipment including Core Barrels, Wireline and Conventional Drill Rods, Casings, Tungsten Carbide ...

Explore Our Products When precision matters, trust Drillrigy"s core drilling rig solutions. We are dedicated to manufacturing core drilling rigs that redefine accuracy and efficiency in core ...

Force DPT Rotec V-Core PREMIER DRILLING SUPPLIES, TOOLS, AND EQUIPMENT! Hole Products is a leading manufacturer and supplier of high performance drilling supplies, tooling, ...

With its own engineering designs, a multinational team of experienced specialists, and production facilities based in Ukraine, Discovery Drilling Equipment LTD manufactures a wide range of ...

Ukrburservice DC is the drilling market leader in Ukraine. Tell us about your business, how did it all begin? Our company was established in 2003. We started to work as a ...

The core drilling rig is a multifunctional drilling equipment, mainly used for the survey and exploration of metal and non-metallic solid minerals, water well drilling, and can also be used ...

The drilling rigs are designed and engineered to operate safely, efficiently, and reliably beyond their stated performance parameters. We have proudly facilitated the work of and supplied rigs ...

Explore Our Products When precision matters, trust Drillrigy"s core drilling rig solutions. We are dedicated to manufacturing core drilling rigs that redefine ...

The Christensen range of surface core drilling rigs has, over many years, established itself a reputation for reliability and ease of use. Many Christensen ...

Our production facility is located in Ukraine, where we design and manufacture all our drilling rigs. Despite challenges, we continue to grow as a trusted global ...

You get regular drilling rigs, and then you get Bohrmeister drilling rigs! We specialise in the custom design, manufacture and supply of quality hydraulic exploration drilling rigs, "hands ...

United Kingdom and Ireland"s leading drilling equipment manufacturer and supplier. In-house manufacturing and bespoke design capabilities. Offering ...

Today we are a certified manufacturer of core sampling devices of various types and modifications. Our mission is to create high-quality equipment that meets or exceeds customer ...

## Ukrainian core drilling rig manufacturer

Welcome global industry partners to discuss cooperation! Wuxi Zhongjin Mineral Exploration Tools Co., Ltd. is a professional manufacturer and supplier in the production of geological ...

Drill rig manufacturer you can count on for quality geotechnical products, drill rigs, test rigs, underpinning and compaction grouting equipment.

MAPL is a specialized manufacturer and service provider in diamond drilling and mineral exploration. With a significant fleet of diamond core drilling rigs and ...

Core drilling often grinds away materials when the hole is being drilled to get intact sample via rotary drilling by core drill rigs. Rotary drilling ...

Our rigs work on 5 continents for leading oil production and service companies. The company has 10 years of direct experience while our facility in Ukraine has been making drilling equipment ...

Our fleet includes 45 drilling rigs and workover rigs of varying rating, hook load capacity and depth range. This allows us to execute even the most complex projects.

Lianyungang Huanghai Machinery Co., Ltd. is a manufacturer who designs and produces geological exploration equipments, coal bad methane equipments, engineering foundation ...

JINFAN is China drilling rig manufacturer, offer hydraulic crawler drilling rig, anchor drill rig, water well drilling rig, core drilling rig, in addition to drilling tools such as DTH hammer, eccentric ...

Find your core drilling drilling rig easily amongst the 196 products from the leading brands (SANY, SOILMEC, Hengwang, ...) on DirectIndustry, the industry ...

Geological Hydraulic Core Drilling Rig XYX-3 hydraulic crawler core drilling with wheel is equipped with wheeled walking mechanism and hydraulic cylinder ...

Smith Capital Equipment has been manufacturing Auger and DTH drill rigs for over 4 decades and our products include augering and down-the-hole rigs. Typically these are mounted onto ...

Established in 1985, Kores Engineering division is a leading manufacturer providing end-to-end drilling solutions. The manufacturing division provides customised Hydrostatic core drilling rigs ...

CME manufactures drill rigs and drilling equipment for the geotechnical, environmental, mineral exploration and construction industries nationwide.
