

# What is the telephone number for Kuwait water well drilling rigs

Why should you choose Kuwait Drilling Company (KDC)?

Our self-driven shareholders and employees of Kuwait Drilling Company are the reason of the promising future of KDC. KDC is equipped to drill for both oil and gas and our fleet of recently-built rigs is adapted to suit our customers' requirements.

What should you consider when exploring the drilling industry in Kuwait?

When exploring the drilling industry in Kuwait, several key considerations arise. First, understanding the regulatory framework is crucial, as Kuwait's oil sector is heavily governed by the Ministry of Oil and various environmental laws. Compliance with local regulations ensures that companies operate legally and sustainably.

How many wells has KDC drilled?

Over the years of operation, KDC has drilled more than 2,800 wells in Kuwait and Joint Operations (partitioned zone between Kuwait and Saudi Arabia). KDC engages in all aspects of deep, medium and shallow drilling as well as work-over services. KDC also provides water well drilling & management services.

Why is Kuwait a good place to invest in oil?

The competitive landscape is characterized by a mix of local and international firms, each vying for contracts in a market that remains vital for global oil supply. Kuwait's strategic location in the Gulf region further enhances its relevance in the global oil market, making it an attractive destination for investment in drilling activities.
