

Zhongtan Portable Tunnel Core Drill

Shandong Zhongtan Machinery Equipment Co., Ltd is located in Jining, Shandong Province, China. Our company covers an area of 200,000 square meters and employs over 100 ...

High quality Portable Type RCH-3A Underground Core Drilling Rig Exploration Tunnel Mine Drilling Rig from China, China's leading product market Mine Drilling Rig product, with strict ...

Hydraulic underground core drilling rig is suitable for drilling holes for the purpose of mine exploring, also they could be used in surface coring, railway engineering, tunneling, construction ...

Diamond Core Exploration Zt-30b Hydraulic Dth Rigs Drilling, Find Complete Details about Diamond Core Exploration Zt-30b Hydraulic Dth Rigs Drilling, Portable Drilling ...

Small Size Diamond Concrete Geotechnical Soil Investigation Rock Core Drill Rig Machine, Find Complete Details about Small Size Diamond Concrete Geotechnical Soil Investigation Rock ...

Easy to carry, the entire drilling rig and related accessories can be packed into a backpack, with a standard portable drilling rig and its accessories weighing no more than 20 kilograms.

Portable Garden Soil Concrete Exploration Sampling Drilling Machine, Find Complete Details about Portable Garden Soil Concrete Exploration Sampling Drilling Machine, Core Sample ...

Portable Backpack Mine Machine Gasoline Power Concrete Drill Core Rig, Find Complete Details about Portable Backpack Mine Machine Gasoline Power Concrete Drill Core Rig, Backpack ...

Choose from Tools Direct USA's full line of professional grade core drills & core drilling equipment. Use our core drills on concrete, asphalt, and stone. Find your next hand held, portable, ...

XDKD-4 full hydraulic underground top drive drill rig is mainly applied in the fields of coal, geology, metallurgy and engineering. It is used for drilling large dia. gas suction hole in mines, ...

High Quality Waterless Operation Impact Backpack Core Drilling Rig For Soil Sampling, Find Complete Details about High Quality Waterless Operation Impact Backpack Core Drilling Rig ...

The ZT-100 electric down-the-hole drilling rig is a down-the-hole drilling equipment based on the ZT-100 pneumatic down-the-hole drilling rig and related mines, which has undergone industrial ...

Our company covers an area of 200,000 square meters and employs over 100 employees, including more than

Zhongtan Portable Tunnel Core Drill

30 technicians. We have a wide range of machinery, with over 100 ...

Zhongtan Zt-50t Katrol Bor Eksplorasi Inti Portable,Crawler 50m, Find Complete Details about Zhongtan Zt-50t Katrol Bor Eksplorasi Inti Portable,Crawler 50m,Diskon Rig Pengeboran ...

Portable Single Handheld Waterless Operation Impact Environmental Monitoring Soil Drilling Rig, Find Complete Details about Portable Single Handheld Waterless Operation Impact ...

Zt-50t Geology Core Exploration Crawler 50m Borehole Drilling Rig Price, Find Complete Details about Zt-50t Geology Core Exploration Crawler 50m Borehole Drilling Rig Price,Full Hydraulic ...

Small Man Mine Machine Geological Exploration Concrete Drilling Sampling Backpack Drill, Find Complete Details about Small Man Mine Machine Geological Exploration Concrete Drilling ...

Small Man Handheld Geotechnical Soil Investigation Backpack Drill Rig, Find Complete Details about Small Man Handheld Geotechnical Soil Investigation Backpack Drill Rig,Exploration ...

ZDY1200G full hydraulic core drilling rig is a multifunctional drilling rig specially designed for metal mine tunnel environment. The modular design ...

The mobile tunnel core drilling rig is a compact, highly maneuverable drilling system specifically engineered for extracting cylindrical core samples in tunnel construction and geological ...

Helicopter Drilling DA Smith is experienced with helicopter-access core and rotary drilling in remote locations for mining and civil projects. DA Smith possesses ...

Designed for core drilling in challenging environments, this type of rig enables geotechnical and geological exploration in underground construction projects, such as tunnel excavations, metro ...

Underground Rock Geological Diamond Core Mining Exploration Core Drilling Rig Machine, Find Complete Details about Underground Rock Geological Diamond Core Mining Exploration Core ...

Core Drilling offers multiple C-411 drilling platforms in the fleet. This drilling unit was designed for remote or difficult access locations. It is mounted on a low impact carrier for difficult or wet ...

Backpack Single Handheld Waterless Operation Impact Portable Soil Sampler, Find Complete Details about Backpack Single Handheld Waterless Operation Impact Portable Soil ...

ZT-50YL drilling rig is a type of high, medium, and low speed drilling rig with feed. Compared with other similar products, it has the advantages of lightweight, simple structure, fast drilling ...

Zhongtan Portable Tunnel Core Drill

Zt-30b Portable Dth Geotechnical Exploration Core Portable Drilling Rig, Find Complete Details about Zt-30b Portable Dth Geotechnical Exploration Core Portable Drilling Rig,Geology Core ...

Zt-50yl 70m Geology Core Exploration Well Drilling Diesel Drilling Rig Machine, Find Complete Details about Zt-50yl 70m Geology Core Exploration Well Drilling Diesel Drilling Rig ...

When it comes to geotechnical investigations, mineral exploration, and environmental sampling, mobility and precision are key. Our portable hydraulic geotechnical core drilling rig is ...

The mobile tunnel core drilling rig is a compact, highly maneuverable drilling system specifically engineered for extracting cylindrical core samples in tunnel construction and geological ...

Zhongtan Crawler High Hydraulic Support Legs 100m Deep Mine Drilling Rig, Find Complete Details about Zhongtan Crawler High Hydraulic Support Legs 100m Deep Mine Drilling ...
